March 2022

Neatishead, Irstead and Barton Turf Community Heritage Group was formed in 2013 by members of the individual village history projects: Neatishead Nostalgia, Irstead Memories and Barton Turf History Project, together with other members of the community who are passionate about preserving the heritage of the three villages for future generations.

WW1 Project

The group completed a Heritage Lottery Funded project in 2016 entitled **'Living through World War One in Three Norfolk Broadland Villages — Neatishead, Irstead and Barton Turf'** as part of the 1914-1918 WW1 Centenary. This project commemorated all those from the villages who served during WW1. In November 2018 NIBCHG held a further event over Remembrance Weekend 9th-11th November to commemorate the centenary of the WW1 Armistice.

And help preserve
the heritage of our
three villages

NIBCHG

NIBCHG aims to acknowledge and encourage the interests of people in the history of the three villages

- *to pursue original research that is made available to all*
- *to share information amongst the group so as to add to the body of knowledge*
- *to build an archive of documents (or copies of original documents), illustrations, maps and artefacts relating to the local history of the three villages and the surrounding areas*
- *to gather oral histories*
- *to maintain its websites*
- *to hold regular meetings*

NIBCHG

We meet regularly for talks, visits, heritage walks or research and there will be an opportunity to get involved or initiate projects on different aspects of the villages' history — the families, the houses, the trades, the special events, the communities.

Neatishead Farmers' Markets

We produce displays for the monthly Farmers' Market which take place on the second Saturday of the month at the New Victory Hall Neatishead from 9am-12noon (February to December) and this brings an opportunity for Friends to assist with the production of displays and to help at events.
